- For the consideration of our shoppers, tour groups should be limited to 20 individuals. However, larger groups can be broken up into multiple smaller tours.
- The co-op welcomes children! We love to teach youngsters about local, healthful foods. Please be sure your group has a sufficient number of adult chaperones when bringing children through the store.
- Please let us know if you would like the tour to focus on a specific aspect(s) of the co-op, such as local food or LEED architecture. We'll try to ensure knowledgeable staff are available to answer your questions.
