

Give the Gift of Membership.

Memberships available at Customer Service

When you give the gift of membership to Seward Co-op to your friends and family, you give them an investment in the co-op and the community. Member-owners of Seward Co-op receive a 10 percent discount off the total of one shopping trip four times per year, and save all year long with member-owner specials throughout the store. Member-owners participate directly in the local economy by supporting local farmers and producers.
