Seward Co-op Community Fund Grant Program

Background and Criteria

The mission of Seward Co-op Grocery & Deli is to sustain a healthy community that has equitable economic relationships; positive environmental impacts; and inclusive, socially responsible practices. The Seward Co-op Community Fund Grant Program was developed to fund projects that fit with this mission.

Grant amounts typically range from \$500 to \$1000. Seward Co-op staff will determine if there are sufficient funds to support the program by May 1 of each year.

Grants are given to organizations that are engaged in one or more of the following types of activities:

- Environmental projects focusing on protection and/or beautification
- Sustainable agriculture programs
- Cooperative related activities
- Community development and capacity building

In addition, priority will be given to organizations that:

- Are based in the communities served by Seward Co-op
- Use the funding for specific projects or events rather than promotions or operations
- Represent secular and nonpolitical organizations
- Are able to use the Seward Co-op grant to leverage funding from other granting organizations
